

The diagram shows a template for an A5 folder, single-sided. It features a large rectangular area divided into two main sections by a vertical magenta line. The left section is a large blank space. The right section contains text and instructions. The entire template is framed by a thick blue border, which represents the 'Bleed Area'. Inside this, there is a thinner light blue border representing the 'Safe Area'. The bottom of the template has a complex shape with a diagonal cutout, also outlined by the blue border. Two small magenta lines are shown in the bottom-left corner of the left section, indicating fold lines.

A5 Folder Single Sided

■ **Bleed Area**

Anything here will be trimmed off.
Remember to extend any colouring or
images into this 3mm bleed area.

□ **Trim/Fold**

Your artwork will be cut on the solid
magenta line. Any images or text
placed outside this area will be
trimmed off.

■ **Safe Area**

Keep all your vital information inside
the light blue area to avoid potential
trimming issues.

**Remember to delete or hide
this layer.**
