

A diagram of a DL Folder Single Sided template. The template is a large rectangle with a complex, irregular shape on the left side, representing a folder flap. The shape is defined by a thick blue line (Bleed Area) and a thin magenta line (Trim/Fold). The interior of the template is divided into three main sections: a large white area on the left, a large white area on the right, and a smaller white area at the bottom. The right side of the template is bordered by a light blue area (Safe Area).

DL Folder Single Sided

■ **Bleed Area**

Anything here will be trimmed off.
Remember to extend any colouring or
images into this 3mm bleed area.

□ **Trim/Fold**

Your artwork will be cut on the solid
magenta line. Any images or text
placed outside this area will be
trimmed off.

■ **Safe Area**

Keep all your vital information inside
the light blue area to avoid potential
trimming issues.

**Remember to delete or hide
this layer.**
